NATIONAL SCHOOL SPORTS WEEK – NEXT WEEK – MON 17TH – FRI 21ST

Next week is National School Sports Week. Here are a few of the ways Hale Prep will be marking the occasion:

School kicked off National Sports Week today with a visit from Mr Jones (Alaria's dad). In assembly, Mr Jones fielded questions from the children about his career as a top-class professional footballer. The children learned how much time and effort goes into reaching the highest level and the dedication needed.

Needless to say, many were inspired, and we would like to thank Mr Jones sincerely for his time.

Next week we are encouraging all children to walk to school, even if it is by parking that little bit further away and walking some of the route to school. Year 6's who have successfully completed their cycling proficiency may cycle, ensuring that they dismount their bike well away from the school gate and walk it across the playground. Likewise, at the end of the day, children should walk their bike across the playground and only mount their bicycles well away from the school gate. Please ensure your child wears their helmet.

Every child in school will be keeping a diary of their activity that week including how active they are being at home; a prize will be given to the most impressive diary in each year group.

Every class will be doing extra active lessons whether it be Active Maths or Active Geography!

At playtimes and lunchtimes, the juniors will participate in hula hoop and skipping challenges using the skipping cards that will be on display around the playground. The infants will also do some hula hoop challenges, and those who can will be encouraged to skip.

There will be a 'Sporting Swap shop' on Tuesday lunchtime where children may bring in an item of sporting equipment (only items that will fit in a plastic bag) that they no longer use/need and can swap with someone else. This will be done under supervision. The children have been told that they **MUST** ask parental permission to donate any item. Items, for example, cricket bats, tennis rackets,

basketballs, rugby balls, and roller skates, are to be brought in on the Tuesday morning. Mr Busby will collect them in the playground (weather permitting) and display them with all swaps happening at lunchtime. No money is to change hands!

The Sports Crew will be raffling a signed Altrincham FC football with all the current squad having signed the ball including Nation League Player of the Season Chris Conn- Clarke. Tickets are £1 per ticket. Proceeds to buy more playground equipment.

The Athletics team will participate in The South Trafford Athletics meeting at Timperley Track on Friday of next week.

TENNIS CHAMPIONS

Poppy, Georgia, Sam and Martin went along with Miss Salinger to Claremont Tennis Club on Tuesday afternoon for the Year 4 Trafford School's mini-tennis tournament. The children played very well and had a great time: they ended up being the overall winning team. Many thanks to Mr Crompton and Mr Randall- Smith for their help with transport.

Author visit

On Tuesday, the juniors had an exciting visit from wonderful author Laura Noakes, who was promoting the release of her second book in the series, 'Cosima Unfortunate Foils a Fraud'.

She shared her journey to becoming an author and the obstacles that she faced. She taught us that we should never give up on our dreams.

Many children bought her books and had them personally signed by Laura. We enjoy

GEORGE VISITS VETS CLUB

George, Gigi, and Ted's gorgeous golden retriever visited the vet club this week. George gave the children a perfect example of just how much energy a young dog can have! They tried very hard to outrun him but without success! Great fun was had by George and the children, and we're told George was a very tired dog last night!
