YEAR 6 WORKSHOP DIVERSITY, EQUALITY AND EQUITY

Last Friday, Ms Nawal Arshad, Senior Business Leader and Vice President at Barclays UK, visited the school to present a workshop to Year 6. Nawal delivered a brilliant workshop on Diversity, Equality and Equity, which many of the children found fascinating. The children had to discuss/debate certain situations and scenarios within their group. All the children learnt a lot, with one child stating . . . "I love a good debate!" Thank you, Nawal!

Reception trip to Chester Zoo

On Wednesday, the sun was shining for Reception when they visited Chester Zoo. As part of their geography topic, 'Animals and their Habitats,' the children were entertained by the orangutans doing forward rolls, chimpanzees chasing each other and an amazing close-up view of a lioness sleeping against the window of the viewing area, plus many more wonderful sightings of animals from around the world. The children had a fantastic time discovering where these animals live in the wild and also

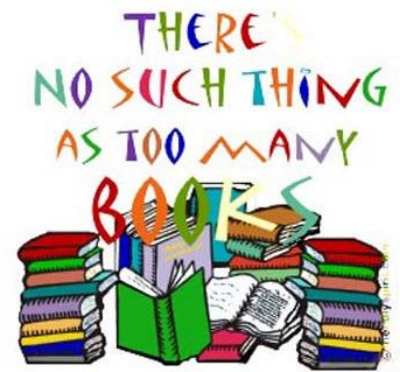

used their mapping skills to navigate the zoo. A big thank you to Miss Ordman, Miss Tochor and Mrs Connolly, who accompanied Reception.

BOOK SALE!

As part of the renovation of our wonderful new library, we are excited to announce a book sale taking place to raise funds. This event is a wonderful opportunity for children and families to find new, gently used books while supporting our school community. All proceeds from the book sale will go directly towards enhancing our school's educational resources and funding special programs for our children. Please bring small change as all books will be 50p.

- **Date:** Tuesday 25th June
- **Time:** after school
- **Location:** the playground

YEAR 6 TRIP TO MANCHESTER MUSEUM OF SCIENCE AND INDUSTRY

On Monday, Year 6 enjoyed a fantastic day of science activities at the Museum of Science and Industry. After taking the tram into central Manchester, we arrived at MoSI to start our first workshop. This took place in the new gallery dedicated to gaming. Deciding which games to try out was a little overwhelming, as there are over a hundred consoles. The children were fascinated to see how things have changed over the last five decades and enjoyed trying out early games like Pong and Pacman.

After that, there was another workshop in which the children learned about three Important scientific discoveries made in Manchester before they worked in groups to solve scientific problems. Great teamwork, as

well as much trial and error, led to some ambitious and creative designs. After lunch, there was time to explore the many interactive activities in the Experiment Area.

There are so many fun and engaging activities to puzzle over!

Travelling by tram was a learning experience in itself, and the museum allowed the children to explore and develop their scientific understanding. The website has lots of photos in the news section and the class page. Many thanks to Mrs Agius and Mrs Sathi for accompanying us.

YEAR 1 TRIP TO RED HOUSE FARM

On Tuesday, Year 1 went to visit Red House Farm in Dunham. They had a very exciting and interesting time learning about farming as part of their geography topic. They met some very lively pigs and their piglets, sheep and chickens. They also found out about different fruits in the orchard and how oats are grown for our porridge. They had a really long walk as part of our fitness week and lots of fun! Thank you to Mr Saleem, Ms Howarth, Mrs Littlewood and Mr Chohan for helping us. You will be able to see photos on the school's Instagram page.

NATIONAL SCHOOL SPORT WEEK

Thanks to all who have entered the spirit and tried to walk, cycle, or scooter into school. The children have very much enjoyed playing with the skipping ropes and hoops that have been out—they will remain out permanently now. The children have taken part in some active lessons with their teachers, and our swap shop was a success, with lots of children taking part and taking home something new to experience.

The children need to bring their active diaries back to school on Monday. Some small prizes will be given out to those who have been very active and completed the whole diary.

SPORT NEXT WEEK

Monday 24th Year 4 tennis at Gatley Tennis Club 10am-1pm

Tuesday 25th Year 4 Girls football at Heyes Lane 2-4.30pm

Thursday 27th Year 4 Diamond Cricket Festival at Timperley CC 10 am-12pm
